skill could have changed the result.

Now comes the question of their compensation. A short time ago it seemed probable that this would give rise to an acrimo--much of it bought by non-residents bonds, and went away with a smile of nious controversy! According to the the various statements published, each physician wanted the lion's share of the appropriation for himself, and was inclined to place rather a low estimate

on the services of the others. Thus one account stated that Dr. Bliss thought he ought to have fifty

thousand dollars. It is pleasant to be assured that there is to be nothing like a quarrel over the coffin of the dead President. Dr. Bliss is authority for the announcement that neither he nor the other physicians will present any bills to the Congres-The average diary covers an unlim- sional committee which is to pass upon their compensation. He says they are content to receive whatever Congress

may give.
This determination on their part is a

sensible conclusion, and they ought to adhere to it.—Sun. An Arkansas Peculiarity.

There is a politeness, a kind of cordiality, in Arkansas that you will not find in many other States. Now, "Colonel" is a title of politeness. In Little Rock when "Colonel" is introduced to you, why you at once know what has become of the rest of the that the gentleman is perfectly will-harness. When "General" is introduced you may know that he is willing to take several drinks. "Captain" is less fortunate; you only owe him a nickle cigar. A characteristic of Western people is their forgetfulness of proper names. In this city hundreds of peo-It is a poor feel that won't work both ple who associate together daily only ways—when he wants to work out of know each other by titles.
